“ *Celeste the Angels in Heaven are rejoicing why we are saddened by your loss but we will meet again. You were a super great friend you will be greatly missed. I pray that God wraps your family with all your wonderful memories of you always and comfort them at this time. There are no easy answers for what you now endure no ways to dull our sorrow and no quick and simple cure... We have lost someone we cherished and it brings us pain but God gave us a promise we will meet again. Thank you for always being a good friend to me. I love you Celeste!!!*
