“ I'll never forget all the fun times we had!! The holidays, cookouts and gatherings we would have. The party always was live when the Bradley family would cahow up. God created a beautiful soul. It just breaks my heart that he was ready for an Angel. Peace be with you and with your family. I love each one of you!!

“ Condolences to my bonus family. This is very hard to see you leave. When you were born, we shared the same birth date, you never failed to call and wish each ones many blessings. You fought a fight, we were praying around the clock for a speedy recovery. But God said, enough pain and suffering come to my Heavenly Home and I'll give you rest. I will always continue be that supporting auntie for (your Mom, Dad, Richard and the girls) and the rest of the family. You will always have special memories in my heart. Sleep on Reese -Niecy Poo. Love ya
