“ I have been a member at GTMBC for a few years but. Charity has always made me feel like an old friend. Her big smile and a wave made me feel at home. She would ask about how I was doing and she really wanted to know. Sweet and genuine. Natalie Cobb

“ *Charity was a beautiful soul, inside and out. We met in the mid-90s at Brown & Williamson, and she quickly became a lifelong friend with her sweet smile and comforting, listening ear.*

In our last phone call the Tuesday before her passing, she told me, “I’m in pain with my back, but I’m trusting in GOD.” I take so much comfort knowing she is resting safely with Him now, completely healed and free from pain.

Rest in peace, my dear friend, until we meet again. ☐ 🕊️
