“*Mrs. Clemons was my 5th grade Teacher at Slaughter Elementary. She was an excellent Teacher, role model, and mother figure. I am now in my 22nd year as an Educator because of her, Mrs. Verna Calhoun and Guidance Counselor, Mrs. Mary Todd! These were "stellar" Black positive and strong women, which showed each and every student everyday that they cared! Prayers for the family!*

“*Jean Clemons memories cause me to smile. She was a fantastic parent to our student, George Clemons and came to our school often to support and "check on" her son. She was always upbeat, ready to talk and help in any way she could. She, Skip, and George made a huge positive impact to our faculty, staff, and students. I miss you Jean.*

“*Mrs. Clemmons was by far the best teacher in the world. She showed so much passion for her job and, love for her students. I went back to visit her so many times throughout the years. She taught all of us much more than the typical 5th grade lesson plans. She taught us kindness, loyalty, compassion and, even showed us tough love when we needed it. I am so thankful she was my teacher! God has gained a wonderful woman. Prayers for peace and, comfort for her family and friends.*

“*I am a teacher today because of the influence Mrs. Clemons had on me in 4th and 5th grades at Slaughter Elementary. She was a powerful force and I'll always be grateful for her beautiful spirit.*

“*Mrs. Clemons was a fine lady, teacher, and friend. As a young teacher, she guided and encouraged me by example. Her students were blessed to know her and be present in her classroom. Louisville has lost one of their best citizens. I'm deeply sad tonight.*
