“ *Janice,
Not sure if you remember me but I met you when Charles brought you on a work trip to our LaVergne, TN plant and I worked at our Cadiz, KY plant.*

I was shocked to hear of Charles' passing. I always enjoyed working with Charles and enjoyed talking to him. I know that you are missing him dearly especially at this time of year but please take comfort in knowing that he is with our Savior and watching over each of you. I will keep you all in my thoughts and prayers.

“ All the words in our English vocabulary would not permit me to express the loss I feel for this outstanding individual. I would often visit with Charles on many subjects, both pro and con, and you could tell he had a gentle smile on his face or would break out with that great laughter of his during the conversation. We would often share a meal together over the years. From the first meal we had together to the last one we shared, no matter where we were, he would take the time to ask Heavenly Father for a blessing on our food. When it came to his beliefs, in all things Charles would always "Walk the talk" remaining true to his God, family, friends and associates. Like a good golfer, he only tried to improve on his score only playing against himself, but always enjoyed having someone on the course of life with him. Last we spoke Charles was excited to begin his new employment in Kentucky and fulfilling his dream to move back to the Louisville area to finish out his career and life near his family. And now Charles has done just that. It was such a blessing for me to have the opportunity to have known such a man, and even better, to call him my friend.

Janice and Children, Patty and I are certainly sorry for your loss. Should you ever get down towards the Houston, TX area we would like to share a meal with you and hear how you are doing, Bless you all during this time of sorrow.
