“ The best memory I have of Mr. Charles was his bright smile. And the way that he kept you laughing. I remember when I step on Tarc and he was the driver. He said hey I know you and told everybody how he knew me and what my name was. He had us all laughing g that day. Sleep In Pease until we meet again

“ Papa bear,
Only you know how hard the last 4 days have been. It has been 4 days since I've last seen you, held you hand. It's been a struggle but to not see you in any pain, to know that you are with your mom, dad, some siblings and our lord and savior gives me comfort. Know that I am okay and miss you more than words could ever express. I love you always papa bear!!! 💙💙
