“ I was thinking about Reverend Lucas and how I appreciated him For Officiating our Wedding Ceremony
I wondered how Sister Lucas was doing until I saw this. I only recently moved back to Louisville after my husband passed away suddenly.. to find out that dear Sister Lucas has passed away has broken my heart. I didn't know. That sweet voice
Rest in peace we will always remember how kind you were.

“ Charles Etta was a gem of a woman. She was a neighbor of my mom and dad and would take mom to TOPS every Thursday because Mom couldn't drive. She was special and became a part of our family. She would call my dad brother. We will miss you and love you. Rest in Peace Charles Etta. Love the Filburns

“ To Kelly, Ronnie and grandchildren Ms Lucas is with Rev Lucas, she lived without him since 1998, what a beautiful woman she was. I Loved seeing her at church when she could and she told me not to call her Ms Lucas, but to call her grandmother. What an honor to have her tell me this. Rest in heavenly peace.

“ There are no words that can convey the influence Rev. and Mrs. Lucas had on my life as a child growing up at Emmanuel. Although my heart is saddened, I find solace in knowing that weeping may endure for the night but joy comes in the morning. Ronald, Kelly and Christina, you're in my thoughts and prayers.

“ My sincere condolences to the Lucas Family for your heartaches of missing your mom. I cherished every opportunity I had, to see her when she came to Texas. She is not lost because she served almighty God and earned her mansion in heaven She let her light so shine and her light will forever shine through each of you. God bless you all and may He give you perfect peace that surpasses all understanding.

“ Mrs. Charles Etta was an inspiration and exemplary role model to all who worked with her. especially, to me. I am grateful still for her calm, quiet demeanor and sound, sensible advice which always gave clarity, reason and solution to many seemingly impossible situations. She was an angel to me then as I know she is now.
