“ A few days ago one of my first friends passed, Marion McDonald Mansfield. This brought back so many memories of our escapades on Wilson St! 😭 It was so much fun and trouble the three of us got into exploring the neighborhood. I cherish growing up with both of you ❤️😍

“ It's not an anniversary of your birth nor death , but I was just reminiscing with some childhood friends. We were so blessed to have the parents and childhood we had! Remembered you trying to shoot off that rocket in the 60's. I love and miss you so much. Continue to watch over me and my family.

“ I can't believe it's been a year since you physically left me. Not a day goes by that I don't wake up and think I need to call Butch. I don't know but I miss you more each day.

“ Today is Veteran's Day and every year Butch would place flowers and a flag on daddy's grave and on 'Brother' Bell' s grave in Cave Hill Cemetary. He was always thinking about others. Love always your loving sister.
