“ *To my Aunt Martha, Charles' twin sister Charlene, his brothers Nathaniel and Steffan, his sisters Stephanie and Cheryl I give you my deepest heartfelt sympathy. My greatest memories of Charles is and always will be the biggest hugs and the great big smile he always gave when he came to visit Granny Margaret's house and his grandma Lizzie's Apple Butter (Charlene). My spiritual family No matter what you are feeling...no matter the trials you are going thru... remember God's promises when death and sorrow and pain will be no more. We are almost there just keep holding on! Much agape love!*
