“ I'm sorry I'm just hearing of Charles passing. Charles was my neighbor for over 30 yrs on Miami Ave. One couldn't have asked for a better neighbor to have. His daughter Crystal was probably around 10yrs old when we moved directly across the street from him. Charles was always willing to help shovel snow or whatever I needed. What a great man he was... I'll always remember him riding off on his 10 speed bicycle! Rest in prace Charles and may perpetual light shine upon you! 🙏🕊️

Chuck as I called him was a very special kind of person. I didn't find out until later that he passed. He will truly be missed. There aren't many people in the world like him. From the way he rode his bike and planted his flowers for years, and then I change for him like it does for a lot he stays strong through it all. I will miss hearing his voice and talking to him, and I'm really sad to know he's no longer here. Rest in peace Chuck.

“ My memories of Charles Bell are many in number, since I've known him for about 58 years. Always a high spirited and fun loving guy, I remember in our late years, we walked to stay fit, in Chickasaw and Shawnee parks and on the Big Four Bridge. We both liked gardening and yard work (a little). Another good buddy of mine gone away. I'll miss him. “Maudy”
