“ After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. It is my prayer that The Lord will give you and your family strength not only during this difficult time but for days, weeks and years to come. May God bless you and keep you in His arms of care. Matthew 5:4 Blessed are they that mourn: for they shall be comforted.
