“ *You were the glue that bonded me to my father, my siblings, and a better understanding to who I am. Without you, I would have not known this. Your passing meant more to me than you will ever know. My only regret is that I didn't let you know that before you ascended. I love you and will never forget you. -R*

We pray that the wonderful memories of your Mother will sustain you in the days, weeks, months, and years ahead.
