“ Gloria and Carla....I was so sorry to hear that your mother had passed. I felt very privileged to have worked with her. She was a very classy lady with many wonderful stories to tell. Please know that I am thinking about you and your family and will certainly keep you in my prayers.

“ Gloria, Carla and family, please accept my profound condolences on the passing of your mother. The bonds of our families' friendship were set nearly 60 ago at Bentwaters AFB, England. In 2006, I returned to Bentwaters for a visit and photographed your house which we visited many times. It brought back many fond memories. I hope to send them to you at some later time. Unfortunately, we are increasingly reminded of those impressionable years because of the departure of a loved one. My heart goes out to you and your families with the hope that the love you had for your mother (and father) will live on through you and your families. With deepest sympathy, John (Tommy) Swayze (Jubail, Saudi Arabia)

“ I was so sorry to see your Mother's Obituary in the paper this morning. I was very fond of Mrs. Tyree. She was one of my father's favorite ladies at Atria. My thoughts and prayers are with you all.
