“ My condolences to the immediate Family. I'm saddened to find out that one of my favorite cousins has transitioned on to Glory. I love You cuz; had no idea as I was trying to call you while in town two weeks ago. Clifford was such a cool and classy guy, and think when we were growing up into adults, a bit of his class rubbed off on me as I tried to live up to his classiness. Plus Clifford always comes to my mind with a smile, when I have a frisbee in my hand. The simple fun things in life that we used to do back in the park days growing into adulthood. My prayers to the Family to include I will be feeling the loss as well. Will miss You Cuz! -Commodore Stone/Atlanta
