“ Gloria and Family, The photo (taken by the late Nat Brown) brings memories of the Central High School class of 1955. We were a very large class - so large that I did not meet all of them, but Clyde was among a small group that became and remains very close. Many of us relocated after high school or college, but we manage to keep in touch directly or via the class newsletter. I know that Clyde had been quite ill but news of his death was devastating. He was one of the kindest people I have known - a beautiful spirit. With deep and sincere sympathy, Bonnie Anderson Orton
