“ *Shirley, I am so sorry! Oh dear friend my heart is broken for you.
You are in my prayers. May God bless you. We shared many stories
of our precious children during all the years of working together.
There are no words to say to make this easier. Only God can deliver
the peace that surpasses all understanding.*

“ Tell me, what does it look like in heaven? Is it peaceful? Is it free like they say? Does the sun shine bright forever? Have your fears and your pain gone away? Tell me what do you do up in heaven? Are your days filled with love and light? Is there music? Is there art and invention? Here on Earth it feels like everything good is missing since you left. And here on Earth everything's different, there's an emptiness. Oh I, I hope your dancing in the sky.
