“ I thank God for the life and legacy of my friend Connie for 66 years. I thank God for her service to the community, the Kingdom of God and always being willing to help and assist whoever she could. She was a Mighty Woman of God. The O'Bannon family considered Connie a part of our family as our sister. We will miss her and our time together, but we thank God she is with Him in heaven. I speak peace to Rashod, Xavier and Connett and comfort that only God can give. I celebrate your mom, grandmother, godmother and my sister/friend for the awesome person she has been in my life and so many others. This is a time of celebration. Her life speaks for her.
