“ *I Heard Your Voice In the Wind Today*

I heard your voice in the wind today

and I turned to see your face;

The warmth of the wind caressed me

as I stood silently in place.

I felt your touch in the sun today

as its warmth filled the sky;

I closed my eyes for your embrace

and my spirit soared high.

I saw your eyes in the window pane

as I watched the falling rain;

It seemed as each raindrop fell

it quietly said your name.

I held you close in my heart today

it made me feel complete;

You may have died...but you are not gone

you will always be a part of me.

As long as the sun shines...

the wind blows...

the rain falls...

You will live on inside of me forever

for that is all my heart knows.

I love you momma-n-law and I'll miss you forever 🍷❤️

“ *To my family, I share in your grief. Nita was the first to welcome me to the family. The love I have for her is unreal. She's been my go to for 30 years, and she always kept it real with me. Our paths in life took us in different directions, but I knew we could always come together, sit, talk, and laugh. I'll miss her more than words can express.*
