“ I share over thirty-seven years with Curtis of which 90% was pure joy. He showed his love for me everyday. He showed his love for family, neighbors, his jobs, God's beautiful creation, and wherever he worshiped. Busy always, checking off his to do list. He got more stuff done. I will forever miss and love him. Will miss that sneaked smile, holding his strong big hands and kissing his sweet lips. Rest yourself now Curis, God will take care of us until we meet again. 🙏

Thanks to everyone for all your acts of kindness to Curtis and his family.
