“ Curtis you will be truly missed. I loved talking with you about life, work, or whatever we were thinking about at the moment. You were a true friend and will be missed deeply.

“ Curtis, I will miss you my friend. "You aint much, but you were all I got" an old BQ quote you would tell me. Yes sometimes you did walk on water and sometimes your feet got wet. It was an honor and a privilege to have worked and known you my friend. I even named my cat after you. I know you are in a better place and we will meet again and I'll say, "what's up old man" again.
