“ *My fondest memories of Grace start with Westport Road High School, back in the 70's. She was a true friend: Smart. Funny. Kind....I remember she was using crutches at one time and handled it like a pro. Friends would help carry her books to the next class, but I was amazed at how she made navigating the hallways look so easy. For some reason, this memory always stuck with me. She was such a strong person!*
