“ *I have known Cynthia for over 40 years. I am going to miss my dear friend. We shared a lot of memories together. The good times and the bad times. I will miss our late night talks, and you getting on me for not knowing how to cook....LOL . You was such a very strong willed woman. You endured a lot pain and suffering, but you didn't let your health keep you from living your life and having fun. I miss you already. This is hard. Prayers to your family for strength. Love you Sadie (Cynthia's nick name that I called her....Phyllis Macklin Fulson (Nannie. My nickname that Cynthia called me).*

“ Cynthia and me worked together at UPS. We always were cutting up and laughing. She called me about a month or so ago and we were going to do lunch. I'm sad that Cynthia is leaving this world, but I'm glad she's no longer in pain and can rest in peace. Love you Cynthia. You are truly missed!!! Michael Riordan
