“ To The Anderson family, I pray for strength to endure, peace that surpasses all understanding and know without a doubt that Ms Daisy is RESTING in the glory of God. God is too wise to make a mistake and too good to be unkind. The days ahead will be unsteady, but know there are others who know your pain and are praying with you. If I can help in any way, please let me know. You have my prayers for peace through this difficult time.

“ To, Darryl, Keith, Michael, Ronnie, Kenneth, Johnetta and Sharonda, your mother was one of the dearest people I have ever met. As a friend and coworkers, through her, I got to know each of you long before I met you. During our ten years together, I knew what each of you were getting for Christmas and Easter, even after you were long passed the Easter Bunny age LOL. Through good time and bad times, you all were her pride and joy. I can only imagine how she doddle over her grands. John and I are praying for your strength and peace as we offer comfort to you all as you mourn your mother's passing....Peace and love,

“ I was so sorry to hear about Daisy's passing. She was a wonderful lady & I enjoyed working with her at LG&E. She was my "work" mom & was always trying her best to keep me in line while giving me her words of wisdom. She had a great sense of humor & always had a smile on her face. You will be missed Daisy, but I know you're up there right now talking to the Lord & getting to know Him even better than before. Love ya, Lisa
