“ I remember Ms. Daisy Donigan from the friendship she share with my mother- Mary Watson. Ms. Donigan was always there from the friendship to the passing of my father. I remember the long visits they shared and being a kid...well I was bored. But as you growup you realize what friendship is and you realize what they had. I was beautiful and even thinking about it makes me envious. My mother will miss her friend as will I and my whole family. The Watson-Moore Family wishes to send their heartfelt condolences to the Donigan Family and to say bless their mother-Ms. Donigan and know she is in heaven with God and his angels.
