“ I have regarded Dana, over the years, among the very best of my friends. Although life took us in different directions, and we were not often in touch, that friendship, heartfelt and true, has remained unshaken. I WILL MISS you, ol' buddy. I just didn't know how much, until now. Rest peacefully, "Moose." God be with his family. You're in my prayers.

“ I will truly miss my uncle Dana. He always had a smile on his face and loved pinching the cheeks of all the kids in the family. I can remember spending the night at their apt. When Carleton and Desiree had bunk beds and a fish tank in their room! I was always spending the night! Lol!

He was a fun loving person and took numerous naps on any bodies couch or chair!

I love you forever and ever Uncle Dana.

I love you Family. God Bless us all.
