“ *With loving memories. I know that your faith is strong, and I want to encourage you to hold on to it. Faith is the evidence of things unseen. Even though we can't see a reason for what has happened, we can have faith that there is a reason in His plan. Our memories that we have shared through the years I will cherish and hold close to my heart. We pray the love of God enfolds you during your journey through grief. We send you thoughts of comfort. Please accept our most heartfelt sympathies for your loss our prayers and thoughts are with you and your family during this difficult time.*
