“ Darrell was a wonderful man. His smile and his personality were infectious. He found joy in every day of life and his joy spread to all of those in his sphere. He has left a great void in our hearts, but, more importantly, a great example for us all. May we all live up to the model that Darrell exemplified every day.

“ I just learned of Mr. Rhodes death today and I am truly heart-broken over the news. I met Mr. Rhodes during my time at the Water Company and later learned that we both attended St. Stephens. Darrel was always so kind and there were many days where we would chat at work about the Manual/Male games or just about church. He always had a smile for you and overall, just very friendly. My deepest thought are with his wife and family. He will be truly missed.
