“ I met Daryl in 1995-96. I liked him right away. We worked together (and bailed each other out) in various circumstances over the past 26 years. He was a gifted electrician, a family man and an all around AWESOME GUY. He could make me laugh or frustrated- depending on the situation, then with a wink he confirmed that we were good. Daryl knew and accepted that many people counted on him when the going got tough (because without fail) he always came through! You are now amongst the Angels Daryl- Fly High My Friend.
