“ I recently found out about Daryl's passing. I first met Daryl when we were students at Florida A&M University. We became friends and Frat Brothers Xs two, Alpha Phi Omega and Omega Psi Phi. Rest easy my Brother and Friend.

“ Mrs Robbie Spain and Daryl were wonderful neighbors who welcome Oliver and I when we moved into the neighborhood after the birth of livia & 3Rd. Throughout years I would see him from time to time at Chicsaw park and Ceder Club, Always articulate, sharp wit and had a keen study of people. He was a friendly loner who enjoyed conversation on various subjects.. The kids thought the world of him.. So sad and hurt to here of his passing

“ I am saddened yet again by Daryl’s transition. So many classmates and childhood friends leaving. Daryl and I met in Kindergarten at Virginia Avenue Baptist Church, a friendship that continued through Junior High School when we went to different high schools and lost touch. To see his photo in an obituary is not the way I wanted to his face again. It is my prayer that he had a good life.
