“ *My dear sister/sorors. I'm so sorry for your loss. Life without Daddy is tough for Daddy's girls and I know this because I am still my Daddy's girl though he's been gone many years. The pain is so fresh now and you should take as much time as you need to grieve but know that absent from the body is to be present in the spirit. Your Dad will never leave you. Call him up inn your dreams and in your prayers. Call his name and tell his stories every chance you get. God bless and keep you today, tomorrow, forever.*
