“ Dear Angela, I lost contact with you all some years back. Today, I thought about you all and decided to try and go online to see if I could locate a phone number; however, I was faced with the news of Daves passing. My deepest condolences go out to you, the kids, and the family and friends. Dave was a good friend, not only to Bruce Casteel but also to myself. He would always listen and respond with encouraging words during my difficult time. I'm thankful to have known such a great guy. With Love, Tamera Casteel
