“ Dawn was one of my best friends at Cass Tech. We talked and at lunch together and would ride together to parties. I am blessed to have her friendship as part of my memories of the good things in my life.

“ Dawn was a lovely friend and great co-worker, always smiling, always a stop and chat moment between two pals. Too soon, very sorry for the family. May God hold you in his arms and know she is a better place watching us all, gone in body but certainly not spirit.
