“ I am so sorry to hear about her passing, its been a lot of years since I have seen her or her family but I remember her. She had a beautiful smile and personality. My prayers go out to all of her family.

“ There truly are not enough words of sympathy I can express, Dawn was always a pleasure when she brought her children to the pediatrician I work for. I am so glad I met her mother and sister today at office and was able to do what I could to help them. Dawn will be missed deeply, may god bless her family and her precious babies, and bring them all comfort during their time of pain. I will keep your family in my prayers.
