“ Hey Marco, I cant believe its been almost a month that you been gone. It still doesn't feel real. I miss you alot and there was so many things I looked forward to with u and chris and the kids and it sucks so much that we didn't have more time together. But I am so glad to have met you. I wanna thank you for always being there for Chris. You were there at our wedding as his best man and that meant the world to him. I'll never forget how you always had a smile on your face and always tried to make everyone laugh. I'll always cherish our memories together staying the night at your house and you coming over and cooking up awesome meals with me and Chris, and playing games together and laughing our butts off. We miss u so much Marc and think about u every single day. Me and Chris found a pic from our wedding and behind you is a light and a angel. Its soooo crazy! I don't know if God is telling us that your an angel now or that you've always been. Im glad to know your safe with the Lord but if hurts missing you this much! You always called me your sis from the beginning and always made me feel as if I belonged in your family. Fly high and watch over us big bro! Love sis

“ I am sitting here thinking about my nephew feeling like I am in a dream. Thinking about the last time I saw and spoke with him. Looking at all of his handsome pictures wanting to reach out and give him a big hug and kiss. DeMarco is truly missed and will never be forgotten. He will always hold a very special place in my heart. Love always,

“ Our dear beloved son De Marco, You were conceive out of pure love. Your father and I adore you. You helped us to raise your brothers Chris and Anthony and by doing so you became a loving devoted father. We miss you terribly but we have the ultimate satisfaction knowing you are with the "King". You are our forever angel and a constant thought in our hearts and prayers. When our family looks to the sky at night and see the twinkle in the sky we know that you and that radiant smile that shines so bright is watching over us. Psalm 91 is our family prayer. You are our sacrificial lamb! Lord bless us all. Our son is the best offering we could give. Soar like the wind and be free son be free! We love you. Save us a seat at the throne! Love Mom and Dad.
