

Debbie L. Vaughn

August 14, 1960 - June 1, 2026

Debbie L. Vaughn, 65, passed away Monday, June 1, 2026. She leaves to cherish her memory her son, LaShawn Vaughn; grandson, Kieran Banales; sisters, Regina Vaughn, Vickie Henderson and Linda Pryor (Arthur); nephew, Dominique Vaughn; niece, Tiffany Henderson; aunts, Connie Marshall and Wanda Leachman; uncle, Anthony Clay (Marie).

My mom was a kind and caring woman who touched the lives of many people. Like all of us, she wasn't perfect and she faced her own struggles throughout life. But when I think about her, those aren't the things that stand out most.

What I remember is that she was always there for us. She loved her family, she cared about the people around her, and she did her best to help whenever she could. Her kindness, her presence, and the love she gave are the things that will stay with us.

We will miss her deeply, but we are grateful for the time we had with her and for the memories she leaves behind. Her love and the impact she had on our lives will never be forgotten.

Life takes us in different directions, but some people leave us with memories that stay with us for years, and Debbie is one of those people. My heartfelt condolences to her family and everyone who loved her. Wishing you comfort and peace in the days ahead.

“ Aunt Debbie,

I always knew how to make you laugh. There was never a dull moment between us. When the pain gets too heavy, I will always think of the good times we shared. I was hoping we had more time but God needed you more. No more pain, no more suffering. You are free.

Love, Tiffany
