“ Ms Deb it was a a honor and privilege to have worked with such a beautiful and inspirational woman of God. You left a imprint of love and compassion on the world and I hunger to be more like you. You were never fearful in spreading the word and love of God and your faith was a testimony to so many. Your physical heart may have failed you but your spiritual heart will live on in so many. Soar high in the Bliss of Heaven for I know God has truly called one of Angels home. Although we will miss you abundantly I know you are walking streets of gold for you are truly home. My Dad is there too he was a lot like you so I know you are among great people.

“ For a number of years I was a customer of Pastor Deborah at the Bardstown Road Circle K. She was always cheerful and a blessing to everyone around her. We often enjoyed talking about our Lord Jesus. I look forward to spending eternity with her and extend heart felt sympathy to the family. May the Lord bless you and comfort you in your loss.

“ I met your beautiful spirit before I really met you. Maya Angelou said it best when she said I have learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel. Mrs. Deborah always made me feel blessed being in her presence at Circle K. Saving Souls at a gas station! (Holy Dance) Thank you Lord!! Jesus!!! (Shouting - just thinking of her work) GLORY!!!! I just want to leave the family with her favorite quote Be Blessed.

“ A wonderful woman of the one living true God who would not only give you God's word but would give her last dime and the shirt off her back if anyone needed it. But the greatest gift she shared was the truth of the saving salvation in Jesus Christ. Rest in peace with Lord God almighty until we all meet again. Love you mom!!!!

“ She was one of the kindest ladies I have ever met. As part of my daily routine I stop by the Circle K for a drink and a breakfast item. While paying for the items she always had encouraging words for the day and without fail told me to be Blessed! I can't tell you how many times this made a difference in my daily outlook of the upcoming events at work. She seemed to have a calming effect for us to realize things are not as bad as they might seem. Mrs. Macklin, you will be truly missed by so very many people that you had a direct impact on their lives!! May you rest in peace and God Bless!! Herschel Lawson

“ I will miss her in a Great way. We grew up together Debbie, Myself, Susan, Dewayne in Mansfield, Ohio, and from the Beginning We was taught to care for and about other people, and Debbie (what family called her) was always so Genuine with her caring and understanding of others. When she took on the roll of Motherhood the love was even more so Great. She started walking and Talking with God and that made her Spiritual being even more Radiant. I have good childhood memory with her, as we went to Maddox Memorial Church, Prayer Meeting, Saying Easter and Christmas speeches, singing in the Sunshine Band and Choir at Holy Unity. OH...I love you and again you WILL BE GREATLY MISSED.

“ Matthew 5:14-16 14 You are the light of the world. A town built on a hill cannot be hidden. 15 Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. 16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. A true light of God. I will miss seeing her when I visit Circle K. My heart is saddened by the loss.

“ This gives me great sadness to hear. Every morning, I visited her for my morning routine. She always had the most infectious smile and soft heart. Even during some of my darkness moments, her kind words of 'Be blessed' ran through me that I am blessed. I am blessed because I crossed paths with an amazing women who meant so much to so many people; she was absolutely a selfless angel. My mornings will never be the same. You are and will be sincerely missed in many lives. Thank you Denise for giving me the pleasure to have crossed paths with you.
