Ms. Dee is the reason I have an acting career to this day. I won a model of the year competition May 5, 1996 in Newark and she was a judge. One of my prizes was agency representation at the Grace Del Marco agency. She told me I had too much personality and charisma to just be on a still photo and that I needed to be acting. I said well hook me up then. I've told that story 1 million times and always mention Dee Simmons. She was an angel and may she rest in heavenly peace.

“ *This is SO sad 🙏💔.. by all accounts. Dee.. Dee.. Deeee. WHAT an inspiration and beautiful Soul. I have fond memories of her trying to push me to greatness in the Industry. I have just been informed of her passing. I remember myself, Tico Wells and another young girl hanging out, thick as thieves from her Agency, Grace Del Marco. Such a long time ago. I believe 1988/89 when I was a young 26 year old. Thank you, Ms. Dee for your graciousness, your kindness and your unassuming, kind personality. Love ❤️ to your fam 🙏🕊️💕💕💕.*

“ I met Dee as a young Male Model prospect in 1982. She offered me a contract with the Grace Del Marco Modeling Agency with the understanding that I could have a career as a professional if I worked hard and implemented her teachings. She was always gracious, upbeat, and insightful whenever I would come in to see her. Her professional guidance was not only instrumental in the advancement of my career but pivotal in my development as a young man. I would eventually move on but Dee always made a point to reach out and check on my well-being.

It brings me great sadness to know that she is no longer here. Dee is an unparalleled visionary, pioneer and trendsetter in the Fashion Industry. Her life's work has had such a positive impact on so many young lives.

I extend my heartfelt condolences to all her family and friends...
... Rest in Heavenly Peace Dee!
