“ *Brandyn,*

I am praying for you now and for the extended future. I only had the privilege of meeting your beautiful (inside and out) Mother a couple of times, but her grace and spirit left an indelible impression on me. Her unconditional love and pride for her brilliant son was undeniable. Her spirit will always be with you and I pray you are able to find comfort as signs and memories appear. God will carry you and your sweet family through.

“ *My condolences to the family. I could say so much, Deidra impacted my life in so many ways. She was my nail tech, my friend, my make-up artist, my smile when smiling was tough. She referred to me as Auntie (Yo). God called home another Angel. I will miss our talks, Love you always!*
