“ I live in Chicago. Me and Deion were close. I called him DeDe. I planned a trip to see him and canceled it because i found out he had a girlfriend. I then blocked him on all social media including his number. That was in February. I since then tried to come intouch with him but couldnt find his social medias. He died exactly a month ago and im just now finding out.

“ Sister! don't know what to say and I know there is nothing I can do to bring you comfort.. But God will see you through your pain and sorrow. Continue to hold to God's unchanging hands. He will give you the peace and comfort you need to get through each day. I'm here for you whenever you need me. I love you and I will continue to pray for you and the rest of the family. God Bless
