“ I offer my condolences to Miss Della's family and friends. We worked together at the KFC YUM! Center and Freedom Hall part-time and always had the best times. We were there working our assignments minding our own business but she had so many funny and wise stories to share, I looked forward to sharing the same shifts, especially during sell-out concerts and basketball games! Miss Della didn't take "no stuff" and everybody knew that about her! I pray that she remembered the good times we shared. May she RIH; time well served. 🙏
