“ *Delores and I worked together at Audubon Hospital. She was such a sweet lady, kind and caring to everyone. She loved her boys more than anything! She did all she could to give them a Wonderful Life. I truly loved her! And she made the best cakes ever. I haven't seen her in years, but I've thought of her often. Life changes and time brought a distance between us. But she will forever be my Sister. I know you're with the Lord now, and resting in peace. Love Martha*

“ To the family and loved ones of my beautiful sister,Delores (a.k.a. “Lois Jean”). You will be missed for your beautiful smile, joyful spirit and always kind and helpful heart and remembered for your delicious baked goods. My heartfelt thoughts and prayers are with you, family, as I can't be there in person. Know that she is resting in the arms of Jesus and fellowshiping with those who have gone on before. God be with you, until we all meet again, in glory!
