“ Saddened to see that Delores has passed. My heartfelt condolences to her family. I knew Delores when she worked for the Department of Children and Families in Hartford, CT. (I worked at the Office of the Attorney General) and I would often speak with her. She was such a joyful person and when she left Connecticut to move to Kentucky we exchanged Christmas cards.

“ What I remember most about Delores was her ability to laugh...alot. Delores and my cousin Deborah Waiters were true BFFs. The kind of friends that's hard to come by these dates. Growing up in "Da Heights" everybody kinda knew everybody anyway and it was always good to run into Delores. She always had some positive conversation to share. And when she relocated to Kentucky I was still able to connect since I have fam there too. Anyway, gonna miss those deep conversations Delores and I send so much love ❤️❤️ to the family. Rest in Heaven and May the Hand of God be upon your loved ones.
