“ Only God could make a mother like ours, special is not even good enough to describe her. In my eyes she was a "Warrior Angel" put here on earth & God equipped her for battle from the day she was born until she took her last breath. She did what God called her to do on this earth, with such dignity & grace...WOW what an awesome daughter, woman, wife, mother, sister & friend she was. I was privileged to call her Momma & blessed beyond measure that God saw fit to make me her child. Oh yes...I miss her, but can honestly say without a doubt that from the day she went home to be with the Lord & her loved ones, I have & still walk in the God kind of peace that no man can give & no man take away & that's a beautiful place to be. "I'll always love my momma, she's my favorite girl"???

“ To the family of Delrita Price, I send my sincerest condolences. A beautiful soul has moved upstairs to her heavenly home. I have so many memories of this precious lady who was jovial, kind, with a big heart. I admired her in every way that a woman could be. Be strong family; may precious memories fill your hearts and ease your pain. May the Lord give you peace at all times, and in all ways.
