“ I'm so sorry to hear of Deshawn's passing- I used to work with him, and he was always such a sweet guy, with a smile for everyone. I actually just passed him coming out of work not long ago, and he made it a point to say hi, and give a smile. My heart goes out to you all. He was way too young to be gone so soon...

“ I worked with DeShawn for several years, all of which were so much better bc of him. He always had a smile on his face and never had a bad thing to say about anyone. He was definitely a character, making masks and swords out old boxes, I really miss working with him

“ Deshawn was such a unique cousin. He was really into comic books. I remember when he showed Tyrone and Tyler his comic book collection, and Tyrone was excited. Tyrone actually collects comics now. He used to ask me, where's my little cousins at.. lol. He was talking about Tyrone and Tyler. We love Deshawn and he will truly be missed.
