“*Condolences to the family. I lived next door to her Uncle George and Aunt Lilly and was close friends with her sister Deborah. Diane was such a caring big sister and became a wonderful teacher and was an inspiration for others. The sisters are together again ❤️ RIH*

“*A life that has made a difference in so many other lives will be well remembered. A soul that has lifted up others souls and encouraged the climb will be well honored. A person who turned the spirit of God's love into living action will be well revered. May we find comfort in knowing that your loved one lives on in so many beautiful ways.*

“*Ms Barham was my first grade teacher, and she was a tremendous force in my early education. It is no coincidence most of my fondest memories of elementary school come from my year with her, as she brought the best combination of educational guidance, humor, and structure into the classroom every day of the year.*

My condolences go out to her loved ones. Please just know that she helped shape her students, and therefore the world they impact, into stronger and more compassionate forms.

“ All 3 of my children got that good start in 1st Grade at Byck Elementary with Ms Barham. I learned how to hone my own skills as a teacher there by watching her work her magic. She was full of love and that was the key. God bless the life of Dianne Barham.
