“ Another one of my best friends gone. Since the 70's we always had a reason to be together. Many trails we have traveled with "Brother Note". RIP my brother.

“ We were sadden to hear of the passing of Don. Anytime that we were all together he was always the same, smiling ,joking and trying to catch up on what had been going on in everyone's life. Even though we were not ready for him to go, God had plan for him. Be blessed and stay strong.

This is a hard pill to swallow, I was not expecting to wake up to a phone call that had my heart in so much pain. Don Ezell my brother I'm gonna miss those sneak up visits always so happy to see you. Your smile, jokes, wrestling with your nephews, we never made our sister/brother hang out that was planned to the range. I'm sure gonna miss you brother my heart is so heavy can't stop the tears from falling. I love you Don gone too young and too soon. SIP until we meet again tell my mom hello.
