“ Your light went out way to soon. Always a smile on your face and a kind word to say. You have been a huge part of my family's life. You were there for my son for every milestone of his life. We all miss you so much, but I know we will see you again one day. Until that day please continue to watch over my son as you always have. You are his guardian angel now.

“ *I met Donaven my freshman year of high school at Eastern. He was always asking me for help with math even though I was terrible at it too. He was always making jokes and had a smile on his face. He became best friends with my cousins husband and we had created many memories together over the last two years. We all miss you so much Donaven. I wish you could see how many lives you touched.*

“ I met Donaven a few years ago, he always knew how to make anyone smile. He was one of the most kind people I have ever met. His smile and laugh were contagious. There was no way to look at him and be anything but happy to have him around. He will always be one of my most favorite people in the world. My condolences to his family and friends. You will be missed brother.
