“ Sending Love Hugs Condolences & Prayers To Your
Mother(Na'Na), Ter'Ter And The Burks Family. I Pray For You Today,
You was the Life of the party. Your smile was unnoticeable. Donita I
Can remember how loud you was in school and walking up and the
streets in Southwick. You carried yourself with poised, greatness &
loved everybody especially from your best friend Sue'Sue y'all were
inseparable as we called y'all the Frick and Frack sisters. Now that
you've left the bricks behind for your mansion in the sky where
there's aches nor pain. Donita you had so many waiting with opened
wings at heavens gate for you. When you get a chance stop by and
say hello to my brothers for me. We will keep you & the family in our
hearts and prayers Love you always StellaMar 💜💜💜
