“ Donna was an adventuress, fun loving person with enough joy to uplift everyone. Her laugh was contagious. I will always cherish our play days as kids with Elaine and Jean. She was talented and creative and looked like a million in anything she wore (like Diana Ross). Even her cooking was a winner with her creation of fried catfish and gravy. Donna will surely be missed. I know she is looking down on us and praying that we too will find the peace and joy she has on the other side.

“ To our Gardner Family, while I cannot be there with you please know that my heart is there. Donna and I had so much fun in our earlier days. The memories will stay on my mind and in my heart. I will always remember her smile and her laugh from days past. Aunt Juanita, Patti, Wanda, Linda, Sylvia, Marciano and Shawn, may God bless and keep you all during this time of bereavement and may the angels hold you close. Love you all, Jo Ann

“ I remember when Donna was in GA. She loved to eat and prayed hard that I wouldn't come around to help eat up the food. She loved singing and talking about the church and how she would have the crowd falling out with her voice. The best journey she has now is heaven sing to a bigger crowd. Rest in Peace.
