“ *Precious is the Saints which dieth in the Lord for they rest from their Labor and their works do follow. Your mother was a sweet and kind woman of God I will miss her and her wisdom very much. Love is stronger than death so I must be content to know that love is not affected by death..It doesn't diminish,It doesn't change. Instead love is immortalized and eternalized through death. And the possibility of that love ever being damaged or broken, is eliminated forever. So let us put our trust in God and love. I love You all Carolyn Mack-Luton*

“ How do you say goodbye to your best friend? We've been close as sisters for over 50 years. We've raised our children together and worked in the church together. We've laughed, cried, fell out, and even cut up together. Through it all, I thank God for all the wonderful memories we've shared. Although you are gone physically, you will always be with me spiritually. No more sickness, sorrow or pain. You've fought the good fight of faith, now you can rest from your labor. So instead of goodbye, I'll just say goodnight, my friend. Rest peacefully until we meet again in the clouds with the Lord on that great getting up day. "For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. "(I Thes 4:16, 17)I love you.

“ To Bro Hickman, Vicki, Phyllis and the entire family: Our hearts we truly saddened to hear of the passing of Sis. Dora Dottie Peoples Hickman as I lovingly called her. What a dedicated and faithful member of the Music Ministry. No doubt the soprano section in the heavenly choir welcomed her with open arms. Please find comfort knowing that we share in your sorrow. We pray that God would wrap his loving arms of comfort around you today and in the days to come. Be encouraged knowing that you are not alone. And remember the words that Sis. Hickman sang, God can, God will. God will fix it for you.
